Anti-Money Laundering

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, social security number/ Tax ID number and other information that will allow us to identify you. We may also ask to see other identifying documents. Until you provide the information or documents we need, we may not be able to open an account or effect any additional transactions for you.

When opening an account for a foreign business, enterprise or a non-U.S. person that does not have an identification number, we require alternative government-issued documentation certifying the existence of the person, business or enterprise.

For questions about these policies, or for additional copies of the TDM Fund Privacy Policy Statement, please contact the Fund at **1-844-828-3212** or www.vgimfunds.com or contact the TDM Fund at PO Box 46707 Cincinnati, OH 45246.
